Fairmount College Notes.

Football practice was resumed in good style during the week. Coach Harry Hess has a full list of candidates for the various positions on the team; each candidate will be given ample opportunity to

didate will be given ample opportunity to prove his merits.

Charles issly, '60, manager of the team has arranged a long schedule of games. It is the manager's purpose to give the toam several extended trips. The team will play Kinghaher college and the Oklahoma university late in the scason; a trip will also be made to Sterling and possibly to Manhattan to play the state asraealtural college. The State Normal and the Indian team of Chiloco will both coatest with Fabrucoint a Wichita. Other rame we will be announced later.

contrest with Fabraconar a Wichita. Other game t will be announced later.

The first football game to be played this season in Wichita will be called next Friday afterneon on the Fairmount griditor. The Fratt City eleven will contest with the home team on this occasion.

The increollegiate debating committee consisting of Harold Morrison, 6; Vera Taft, '71 and Graham Footer, '5, has announced full arrangements for the annual debating contest with Winfield. The question is, 'Resolved, that the railroads should be owned and controlled by the United States government.' Fairmeant will have the negative side of this question. The first preliminary contest, for the purp see of selecting the local representatives, will be held in Documber.

Miss Elimaleth Shattuck, 0, has been appointed to sact as plants at chapel service.

The Y. M. C. A. and Y. W. C. A. held their first refigious meetings last Thurs-day morning. The prospects for both or-ganizations in very encouraging. Several intersting variations were made

Second intersting sariations were made in the regular chapel overcless during the week. Wednesday morning, Professor Morrison referred to the celebration now being held at Partnewith in honor of Daniel Websier, in doing so Ir. Morrison referred briefly to the great characteristics of the immertal Websier. On Friday morning latther Muchus sang a solo, entitled 'The Phins of Prace.'

Since the opening of college three weeks ago ever 450 volumes have been added to the fibrary. A large tumber of scientific looks have been ordered by Prefessor Jariow for me in his department.

If: George D. Cove, Sc., has presented the library with some intersting books, one of those being a copy of the "American Almanac" published by Leeds in 1712. Mr. Gree also presented the museum of the college with a perfectly made stone

illementhene society held its first presion for the year on last Pri-

Friends' University Notes,

Kathryn Lings of Maine, Nora Tomlinson and Edna Brown of Freedswood, Texas,

curolled last week.

The board of managers of the kindergarten met Friday afterneen in the kinderparten room. There are sixty-three
children enrolled this term. Miss Shultz'
materials will be here this week so that a
greater number of little folks can be takto this the school. So gent contribute. eri into the school. Several contribut them have been given by the holles of th community. H. G. Hose has rented plans to the department at a very less rect.

price.

Preparations for the Friends yearly meeting which will be held at the university beginning the followed with are being made. Several students are assisting the entertainment committee in securing bounding places for the expected guests. The Christian associations are making arrangements to serve lanches during the meeting. One of the informished reoms is being fitted up for that purpose. A number of students attenued the Percent secial given by the West Side Preshyderian Christian Endeavor.
